

SECURITY POLICY

PolyOne Corporation places a high priority on protecting the security of our people, our plants and equipment, and our proprietary information and technologies.

It is our policy to conduct business in a way that helps protect all of these important assets, and reduce the risk of harm.

It is the responsibility of all people in PolyOne, including contractors and suppliers, to follow all security procedures; to remain aware of, and report, all possible security threats; to remain committed to working in a secure and safe manner; and to be prepared to respond to emergencies safely and effectively.
