

John V. Van Hulle

Senior Vice President
President of Global Color, Additives and Inks

John Van Hulle is president, Global Color, Additives and Inks for PolyOne Corporation, the world's premier provider of specialty polymer materials, services and solutions. Since joining PolyOne in 2006, he has been instrumental in the company's rising profitability and transformation into a specialty company.

Prior to PolyOne, Mr. Van Hulle was president and chief executive officer of ChemDesign Corporation and SpecialtyChem Products, where he worked in conjunction with private equity to restructure both businesses. Before that, he was president of the Specialty and Fine Chemicals business of Cambrex Corporation and vice president and general manager of General Chemical Corporation's Fine Chemicals and Electronics businesses.

Mr. Van Hulle holds a bachelor's degree in chemical engineering from the University of Michigan and a master's degree in business administration from California State Polytechnic University at Pomona.
