

Vincent W. Shemo

**Vice President
Corporate Controller**

Vincent Shemo is vice president and corporate controller for PolyOne Corporation, the world's premier provider of specialty polymer materials, services and solutions. He is responsible for SEC reporting, as well as oversight of the integrity of global accounting systems, corporate and manufacturing accounting, and consolidation of global financial results.

Mr. Shemo joined PolyOne in 2008 with financial responsibility for the Specialty Color, Additives, and Inks business segment.

Prior to joining PolyOne, Mr. Shemo acquired extensive financial leadership experience as controller for the Specialty Products Division of Novelis, Inc., a producer of flat-rolled aluminum products. Mr. Shemo also held senior financial roles with the Timken Company and ABB Inc.

Mr. Shemo earned a bachelor's degree in business administration with a concentration in accountancy and a master's of business administration, both from John Carroll University. He serves on the Board of LEAP (Linking Employment, Abilities and Potential).
