

Holger Kronimus

Vice President, Europe

General Manger, Engineered Materials Europe

Holger Kronimus is vice president, Europe, and general manager, Engineered Materials Europe, of PolyOne Corporation, the world's premier provider of specialty polymer materials, services and solutions. Mr. Kronimus joined PolyOne in March 1999, and in addition to leading the company's engineered materials business in Europe and India, also serves as PolyOne's legal representative in the region, responsible for building and maintaining relationships with local governments and associations.

In previous roles at PolyOne, Mr. Kronimus served as international controller and finance director as well as other positions of financial, commercial and plant management in PolyOne's Color and Additives business unit. Prior to PolyOne, he worked in financial and commercial roles at Elekluft Elektronik and Docon Unternehmensberatung in Germany.

Mr. Kronimus earned a bachelor's degree in Business Administration and Computer Science from University of Cologne in Cologne and a master's degree in Global Management from Europäische Wirtschaftsakademie in Berlin.
