No. You’re not seeing things. There’s something in the water, man, and it’s groovy. The Water Bearer reminds us to enjoy the good things in life and share the bounty with those around us. These psychedelic swirls are brought to you by Aquarius™ Bright Discharge Base.

The Lion symbolizes both strength and compassion, making Aquarius™ Suede Base, with its durability and soft-hand feel, a natural fit for The Lion Tarot. Though few ever get close enough to feel the real thing, we hope this print provides a safer alternative.
